Brown skin, you know I love your brown skin
I cant tell where yours begins
I cant tell where mine ends
Brown skin, up against my brown skin
Need some every now and then

Where are your people from?
Maybe Mississippi or an island
Apparently your skin has been kissed by the sun
You make me want a Hershey's kiss, your Licorice

Every time I see your lips
It makes me think of honey coated chocolate
Your kisses are worth more than gold to me
I'll be your almond joy, you'll be my sugar daddy

Brown skin, you know I love your brown skin
I cant tell where yours begins
I cant tell where mine ends
Brown skin, up against my brown skin
Need some every now and then

Every time you come around
Something magnetic pulls me and I cant get out
Disoriented, I cant tell my up from down
All I know is that I wanna lay you down

Every time I let you in
Abracadabra magic happens as we swim
Higher and higher finally we reach heaven
Come back to earth then we do it all again

Brown skin, you know I love your brown skin
I cant tell where yours begins
I cant tell where mine ends
Brown skin, up against my brown skin
Need some every now and then

Skin so brown, lips so round
Baby, how can I be down?
Beautiful Mahogany, you make me feel like a queen
Tell me what's that thing you do

That makes me wanna get next to you

Brown skin, you know I love your brown skin
I cant tell where yours begins
I cant tell where mine ends
Brown skin, up against my brown skin
Need some every now and then
Every now and then

Brown skin, you know I love your brown skin
I cant tell where yours begins
I cant tell where mine ends
Brown skin, up against my brown skin
Need some every now and then
