Your eyes are opened now you see the dream you had
is real
You can't get up, you cannot move, you can't pretend
You're even real
But you are so real to me...

There is a light
That I can't keep it away from you
The more lightly I see
The more I can't understand myself

Shadows of my dreaming
Still burning in my head
They are coming for you my friend
-Are coming until the end-
They are waiting for your love
For your passion and your soul

Into the deeper lost paradise
I fear the darkness, I fear my mind
And in the end I will see the sign
The dreams are followed by death's price
Into the deeper lost paradise
I fear the darkness, I fear my mind
And in the end I will see the sign
I fear the darkness, I fear my...

Shadows of my dreaming
Still burning in my head
They are waiting for you my friend
-Are coming until the end-
They are coming for your love
For your passion and your sou
