I am ready for love why are you hiding from me  
I'd quickly give my freedom to be held in your captivity  
I am ready for love all of the joy and the pain  
And all the time that it takes just to stay in your good  
grace  
Lately I've been thinking maybe you're not ready for  
me  
Maybe you think I need to learn maturity  
They say watch what you ask for cause you might  
recieve  
But if you ask me tomorrow I'll say the same thing  
I am ready for love would you please lend me your ears  
I promise i won't complain I just need you to  
awknowlegde I am here  
If you give me half a chance i will prove this to you  
I will be patient kid faithful and true  
To a man who loves music a man who loves art  
Respects the spirit world and thinks with his heart  
I am ready for love if you take me in your hands  
I wil learn what you teach and do the best that I can  
I am ready for love here with an offering arm  
My voice my eyes my soul my mind  
Tell me what is enough to prove I am ready for love  
I am ready
