(Insturmental and Vocals)

Sometimes I shave my legs and
sometimes I don't

Sometimes I comb my hair and
sotimes I won't

Depend on how the wind blows
I might even paint my toes

It really just depends on
whatever feels god n my soul

(Chorus)

I'm not the average girl from your video

And I aint built like super model

But I learn to love myself unconditionally

Because I am a queen

I'm not the average girl from your video

My worth is not determined by the price of my cloths

No matter what I'm wearing I will always be

I-n-dia Ar-ie

When I look in the mirror

I only one there is me

Every freckle on my face is where it's supposed to be

And I know my creator didn't make

no mistakes on me

My feet, my thighs, my lips, my eyes I'm lovin what I

see

(Chorus)

Am I less of a lady if

I don't wear panty hose

My momma says a lady aint

what she wears but

what she knows

So I've drawn the conclusion

it's all an Illusion

Confusion's the name of the game

a misconception

a mass deception something's gotta change

Don't be offended this is all my opinion aint nothin that

I say is the Law
This is a true confession
Of a life learned lesson
I was sent here to share wit yall
So get in where you
fit in
go on and shine
Clear your mind
now's the time
Put it on the shelf
Go on and love yourself
Cause everything's gonna be just fine

(Chorus till fade)

Keep your fancy drinks
and your expensive minks
I dont need that
to have a good time
Keep your expensive car
and your caviar
All I need is my guitar
Keep your crystal
and your pistol
I'd rather have a pretty peice of crystal
Keep your silicone
I prefer my own
what God gave me is just fine
(Chorus to fade)
