[Verse 1:]

Easy like Sunday morning
Like an angel calling
He taking me all in
I'm embracing him with my skin
Like a glimmer of light
Like a vision of life
And he's so perfect I couldn't picture him if I tried

[Bridge 1:]

See some may come
Some may go
But I'll follow you wherever you're the perfect mate for
my soul
And I know why I lose control whenever I'm around you
cause you given me

[Chorus:]

Your hand
And that's more than enough
Your glance
Is like jumping in the river of
Jordan
Purify me baby [x2]

[verse 2:]

It's like summertime always
Like it's sunny out all day
Whenever you smile
Sweeter than momma's homemade
And I thought every man was made the same way
But a world of smoke and ashes boy your are milk and
honey

[Bridge 2:]

See some may come
Some may go
But fill me up with your love
You're nourishment to my soul
And I know why I lose control
Whenever I'm around you
Cuz you given me

[Chorus]

[Bridge 3:]

O your love is

So divine

O o o oh o I'm

I'm so glad your mine
