OH Oooh oh ooOH OH, yeaah yeah yeaah Yeaah hey.
OH Oooh oh ooOH OH, yeaah yeah yeaah
Oh oh oh oh oh oh (I-I-I-I need your therapy)
oh oh oh oh oh oh (I-I-I-I need you to come and lay
hands on me)
oh oh oh oh oh oh (I-I-I-I need your therapy-therapy-
therapy)
oh oh oh oh oh oh Â.....
(heey)
He lays me on the couch and says
Â“how has your day been?
Tell me your problems;
IÂ’ll help you solve them.
Come on letÂ’s talk about itÂ”
He sits next to me and smiles.
Listens to all of my words,
Relaxes all of my nerves.

Like breathe in (breathe in)
Let it go (shout it out)
Take deeps breathes and real slow, calm down.
Close my eyes (soft spoke)
Ease my mind (take control)
From my body please
Work your Psychology

YouÂ’re taking good care of me
Always been there for me
Boy I canÂ’t bear to leave
Cause I need your therapy

YouÂ’ve given me everything
So much I ever could need
Without you IÂ’m so weak in the knees
I need your therapy

Oh oh oh oh oh oh (I-I-I-I need your therapy)
oh oh oh oh oh oh (I-I-I-I need you to come and lay
hands on me)
oh oh oh oh oh oh (I-I-I-I need your therapy-therapy-
therapy)
oh oh oh oh oh oh Â.....

(hey)

He puts his hand on my lower back
his face in my neck and
Says something to make me laugh
Makes me forget I was mad
His touch feels so right
It's like he's reading my mind
I need him all the time
Like breathe in (breathe in)
Let it go (shout it out)
Take deep breathes and real slow, calm down.
Close my eyes (soft spoke?)
Ease my mind (take control)
From my body please (?)
Work your Psychology

You're taking good care of me
Always been there for me
Boy I can't bear to leave
Cause I need your therapy

You've given me everything
So much I ever could need
Without you I'm so weak in the knees
I need your therapy

Oh oh oh oh oh oh (I-I-I-I need your therapy)
oh oh oh oh oh oh (I-I-I-I need you to come and lay
hands on me)
oh oh oh oh oh oh (I-I-I-I need your therapy-therapy-
therapy)
oh oh oh oh oh oh ...
yeaah yeaah

When it feels like I'm losing power
When I feels like a wilting flower
The way you touch me says I'm there for you
It heals me just to hear you say "I Love You"

You're taking good care of me
Always been there for me
Boy I can't bear to leave
Cause I need your therapy

You've given me everything
So much I ever could need
Without you I'm so weak in the knees
I need your therapy

You're taking good care of me
