

Indian Fall "Black Suite"

It only lasts an eternity

It's the holy one
I can't see the sun
Am I the evil one?
I can't see the sun

Awaiting for his arrival
I cannot see
The identity of things
Still confuses me
But I am no preacher
For your thoughts to believe
More with a lie I see
Less than a life to me

Things that I see
Thoughts confusing me
Pray the holy one
But never to face the sun

And I cannot see
The identity of things
Still confuses me
You know I'm no preacher
For your thoughts to believe
More with a lie I see
Less than a life to me

It's the holy one
I can't see the sun
I'm no evil one
Now I see the sun
