"The Same Deep Dark Age"

Altering our human nature
Our bloody human soul
Waste of love for all our creatures
Our savior should now come

Sacred thieves of sanity
Still coming back to me
Promise me in my sanity
I'll find the peace for me
Sacred thieves of sanity
Still coming back to me
Promise me sweet sanity
This is the only peace for me

Our time is the answer for now
Your life shall be trusted somehow
The angels are calling between
My faith is corrupted by sin

You live in the same deep Dark Age
Like the all of us you can feel the bleeding of our souls
