[Verse 1]

Because of love He left His throne and made this earth
His home
He did it willingly, for you and me, with heaven left
behind
He came to save all mankind, from sin and shame
He could have walked away, but instead He chose to
stay upon that tree
And take a crown of thorns for me, because of love

[Chorus]

Because of love He bore my pain, shouldering the
blame
Why did He choose to go, how could He love me so?
Because of love He called to me, He said child I will set
you free
You will have life abundantly, because of love

[Verse 2]

He gave unselfishly, caused my blinded eyes to see
It was you and me He had in mind on the road to
Calvary
I never known such a perfect love I had fallen down but
He picked me up
He rescued my soul, now I want the world to know

[Chorus 2]

Because of love He left the grave, prepared for us a
place
He'll back again someday and I will hear Him say
Because you believed, you'll live eternally
And I'll fall on my knees and I will cry

[Tag]

You are holy, holy, Lord, God Almighty
You are worthy, to receive glory
Honor and power forever

Amen

Holy

The angels bow down
All creation cries out
You're worthy of all the glory
