[Verse 1]

In the book of Acts the hungry hearts were filled
With the Spirit all the blind and lame were healed
All those miracles were done in Jesus name
And today I know that power's just the same

[Chorus]

Call the name of Jesus over me
If I'm sick or if my soul needs liberty
There's no other name whereby men can be free
So call the name of Jesus over me

[Verse 2]

In this world we were all born slaves to sin
To be free we must be born again
Only one Man ever lived completely free
And through His name we now can claim the victory
