[Verse 1]

I could search for all my life and find no one like You
I believe You have the power to make this life brand
new
Troubles come and You are there to heal my broken
heart
There is nothing in this world that could tear us apart

[Chorus]

It doesn't matter what the world says
We will live for You
Come whatever we'll live for You
Forever and ever
King of Kings, You're everything, everything
Jesus we will worship You
Forever and ever
All of our days
We give You praise, give You praise

[Verse 2]

You are God over everything and on Your word we will
stand
Take control over all of me, my life is in Your hands

[Chorus]

[Tag]

No weapon formed against me shall prosper
No weapon formed against me shall prosper
You have made a way

[Chorus]
