Words and Music by Jessica Petty

[Verse 1]

There are moments in this life  
When the world around us seems so dark and cold  
And there's nothing left to do  
But to stand in the silence and face it all alone  
Questions wondering why  
We have to face these trials  
And is it really worth all of this pain  
Let me say  
He knows

[Verse 2]

There are moments in this life  
When the trials and tribulations seem to never end  
And your spirit is so weak  
That you feel like you've done all you can  
Left with a broken heart  
And shattered dreams  
And the pieces have all been thrown away  
Let me say

[Chorus]

He knows all about the hurt  
About the pain  
About the tears  
And though we don't understand  
We're blinded  
By our darkest fears  
And we cannot see our way  
Let me say  
He knows  
He knows  
He knows

[Verse 3]

And when you cannot see your way  
Just put your trust in him  
He'll be faithful come what may  
And though you cannot see Him

Know that He is there  
If you reach out for His hand  
He'll hold you  
Your burden He will share

[Bridge]  
He knows what your going through  
He cares and He will carry you  
I know who holds the future in His hands  
And you don't have to worry  
If you let Him take control
