[Chorus]

He's able to deliver me
From the hand of the enemy
He's able to set me free
Set me free from guilt and shame
Now my life is changed

[Verse 1]

Went to a meeting on a Sunday night
Something in my heart wasn't feeling right
This burden I carried with me
It got so heavy I could hardly breathe
So I went to the altar and I laid it down
Then I cried Lord what do I do now
He said have faith and believe in me
And forget about your burden
I've already set you free

[Verse 2]

When I think that these trials are more than I can bear
And is anybody listening or do they even care?
That's when my mind goes back to Calvary
And I remember how He suffered bled and died for
you and me
That's when I have to lift my hands and give Him
praise
And thank the Lord each and every day
And I will never fail to shout it and proclaim
That Jesus is the name that is above all other names

[Bridge]

My God is able to deliver me
My God is able to set me free
He's able
Yes He's able
