[Verse 1]

Do you feel like your back's against the wall
Is it real, the pain is sure, it comes on strong
So would it hurt for you to cry on Me instead of your
pillow
When you've finished dying inside and beating up
yourself
Your life can be much richer with Mine
Â'Cause time and time again

[Chorus]

I extend mercy
I extend healing
I extend blessings
I offer you peace
I extend love
I extend grace
I extend hope
And I offer you these
If you'll extend your hand to Me

[Verse 2]

Do you cry when you think no one's around
Do you think that I don't see your tears hit the ground
So would it hurt for you to try to trust Me
Though I know you doubt that I see you dying inside
And beating up yourself
Your life can be much richer with Mine
Â'Cause time and time again

[Bridge]

Keep holdin' on
Keep pushin' on
Keep pressin' on
Â' Cause you're comin' out stronger
