[Verse 1]

Your love exceeds all I could think  
You are the Creator of all things  
I may not understand or see Your ways  
But I'll follow every word You say

[Chorus]

Your ways are higher  
Your ways are perfect  
You're the God that's in control  
You've got the whole world  
The whole world in Your hands

[Verse 2]

There are no words that I can say  
You are the reason I'm here today  
No problem is too small for Your great hand  
Lord please include me in all Your plans

I'm a willing vessel work through me  
Clean this heart and purge all that's unclean  
But through Your new mercies I will see  
I'll shine forth as gold after You mold me

[Tag]

There is one God  
One way  
One plan  
Whoa
