Words and Music by Jeremy Guzman

[Verse 1]

Look around at all the people today  
Smiling faces try to cover the pain  
Souls are thirsty  
Hearts are searching  
Our joy means nothing if it's kept and not shared  
We can't be selfish  
Show a stranger you care  
So much hurting  
Get the burden

[Chorus]

Reach out  
To a world in decay  
Don't be afraid  
You don't what they'll say  
If you get tired  
Know that God is still true  
And He'll honor you  
If you love your neighbor

[Verse 2]

God has not given fear  
So where is it from?  
What does it take for us to talk to someone?  
You can tell your  
Testimonies  
Our time is running short  
And we can't pretend  
That everybody is all right in the end  
This generation needs the ultimate Friend  
God will restore  
Broken people  
He will give new life
