[Chorus]

Lord let my relationship be real
With You
Lord let my relationship be real
With You Jesus

[Verse 1]

All of my life
I thought that I
Could be the same
As anyone else
But now I know
For His love to grow
There's got to be a change
And self must be slain

[Verse 2]

Now there comes a point
In every single Christian's life
When they've got to
Make up their mind
Do they wanna run this
Christian race with patience?
Or do they wanna
Live out a lie?

[Verse 3]

Lord I don't want to be fake
And I don't need lukewarm days
So now Lord I take this time
To let You know that I need
Something genuine

[Bridge]

I wanna be real
I need to be real
I gotta be real
With You Jesus

Real, so real
So real

With You Jesus

Gotta be real with You Lord

Gotta be real with You Lord

Gotta be real with You Lord

With You Jesus
