[Chorus]

Lord, You're so worthy  
Lord, You're so worthy  
Lord, You're so worthy  
Worthy to be praised

[Verse 1]

I wanna thank You, Lord  
For giving me another day  
Just to stand and lift my hands  
I'm giving You all the praise  
Just for a wretch like me up on  
The cross You hung and died  
So for Your endless mercy, Lord  
I praise You both day and night

[Verse 2]

With the psaltery, with the harp  
With the timbrel and the dance  
No matter what I use to praise You  
Gonna give You all I have  
And I praise You even if I cannot  
See my victory  
Cause whether I win or lose, Lord  
You're still so worthy

[Bridge]

I came to lift Your praise up  
I came to worship You  
And with my hands raised up  
I'm gonna worship You

From the rising of the sun  
To the setting of the same  
You are worthy to be praised  
You're worthy to be praised  
Oh, oh, oh, oh
