[Talks: Busy Signal]

Trouble again I nuh know

Who feels it knows it duh ya see some high grade  
some hennessy

[Verse 1:]

When the weeds smell suh stink and I tink what I tink  
when I use my instincts bad-mined people fe sink dem  
a try cutt we link push me over the brink caught dem  
evil,  
People so evil

[Verse 2:]

Dem smile when dem laugh while dem aim fe your  
heart  
With them evil a start and dem launch and witchcraft  
nuh trus da shadow in a day much less afa dark caught  
dem evil,  
People so evil

[Verse 3:]

You rise 2 the top and dem want see you flop dem a  
pray every day sih down and a chat and a plot watch  
the food out ah yah plate and a search fi your pot  
caught dem evil,  
People so evil

[Verse 4:]

Put your self in my shoes you a look a job fe a food fe  
do we long interviews prepare your bills and your  
doose watch how your address and skin-colla dem no  
wah use caught dem evil,  
People so evil

[Verse 5:]

Politics full of tricks beer lies an promise see the poor  
stay poor an the rich get rich look from when we area  
waan fix dem tink we fool an a treat we like shit caught  
dem evil, people so evil

[Verse 6:]

The systim a fight we we fighting the system we don't

like police and police dem nuh like we babylon make de  
guns and turn us into victims dem evil,  
People so evil

[Verse 7:]

Dem build up dem jail dem nuh build no school true  
dem waan we fi fail den dem tek wi fi fool dem a bawl  
bout crime rate wen a dem buill de tools caught dem  
evil,  
People so evil,

[Verse 8:]

Dem load up clips inna tech shoot up Virginia tech shot  
up de poor people inna dem face yet dem blame it pon  
di pills weh dem bwoy a tek what kina trend dis some  
bwoy dem a set dem evil, dem evil

[Verse 9:]

Deh bwoy arrange fi 70 grand fi clear it same 70 grand  
is like u buy a nadda one people wi need a nadda plan  
di system wrong, it so wrong, it so wrong, so evil, so  
evil

[Verse 10:]

Yuh bun a spliff hole a mince works so hard fi get yuh  
bread den di same fren yuh par wid him want yuh dead  
chew him know weh kina money yuh a wull him call ie  
pheds dem evil, so evil

[Verse 11:]

Some fight one a nadda, some fight genst dem bradda  
ah bring a barrel suh yuh rise an a pull u off a di ladda  
dem nuh want u sore to new hights like air Jamaica evil,  
dem evil

[Verse 12:]

Deh part yah fih di innocence youte dem inna di pen we  
naw si sunshine in a nassy road again duty judge an  
duty prosecuta mek yuh life end dem evil, dem evil, so  
evil, so evil, so evil, so evil, so evil, so evil, so evil, so  
evil, so evil, so evil, so evil, so evil, so evil, so evil, so  
evil, so evil, so evil, so evil, so evil, so evil, so evil

[Talks: Busy Signal]

Bad mind, people [laugh]

Trample dem fadda god
