I'm giving up this time and all the things I used to do
I've been rollin' and tumblin' just to get to you
You know I've been tryin' playing joker to your queen
The time has come to show you things that you ain't
never seen

Chorus:

Cmon Suzie I'm hooked on you
Let me be your man
Cmon baby just we two
I will shake you down

I drove myself crazy tryin' to second guess your head
I stood by you through black and blue
No matter what you said
It's time for me to tell you
It's time for you to see
That a million dollars baby won't buy what I'm giving
free

Repeat chorus
