"Fool Me Again"

I don't want to play this game no more
you keep on pulling me back in
this will be the last time
Don't want to see your face again

That's Right

I don't want to hear what you have to say
cuz i know where i have to be
you can try to get in my way
I'm just sayin why can't you stay

That's Right

keep on leaving
keep on bleeding
you're not the only one
you'll never fool me again

keep on trying
keep on crying
you're not the only one
you'll never fool me again

Too many reasons why I should stay
There's only one that keeps me away
There's nothing more that I can do
My days are free from you

That's Right

No,,you keep on leaving
keep on bleeding

you're not the only one
you'll never fool me again

keep on trying
keep on crying

you are the lonely one

you'll never fool me again

keep on leaving
keep on bleeding

keep on trying
keep on crying

keep on leaving
keep on bleeding

keep on trying
keep on crying
