Woke up this morning
Everything is wrong
Since my time has come
Now its gone
Maybe I'll be leaving
I have to go

Everywhere I turn
I cant see through this pain
Soul keeps on living
I want this to change
Maybe I'll be leaving
I have to go
Maybe I've been missing
Everything I know, oh

Looking back
Time will never wait
Harder I try
The more it slips away
Maybe Ill be leaving
I have to go
Baby I'll be missing
Everything I know
Oh yeah
