Hareta hi mo ame no hi mo futari de itakute  
Terenaide sonna koto ittari dekinai  
On sunny days & on the rainy days, I want to be  
together  
I can't say such things without blushing

Itsumo no machi arukinagara anata wo mite itai  
Dareka no koto mitsumenaide atashi wo mitsumete  
I want to look at you while walking in the familiar town  
Don't stare at someone [else], look at me

Nee shiawase no rizumu tsukamaete  
Umaretate no asa yatte kuru no kanjite  
Hey, catch the rhythm of happiness  
& feel the new morning come

Nee onaji kimochi de iraretara  
Sore dake de futari tsuyoku nareru  
Mainichi ga brandnew day  
Hey, if we have the same feelings,  
Just that alone can make us become strong  
Everyday is a brandnew day

Nemurenai Doyoubi mo futari de itakute  
Denwa shite sonna koto ittari dekinai  
Even on a sleepless Saturday, I want to be together  
I can't phone you & say such things

Yume no naka de sora wo tonde kuchidzuke wo kawas  
(kiss me baby)  
Kodomojimita hanashi nante waratte minaide  
In my dream, we fly in the sky & exchange kisses  
Don't laugh at my childish talk

Nee shiawase no rizumu tsukamaete  
Kotoba ni dekinai kono omoi wo kanjite  
Hey, catch the rhythm of happiness  
& feel the love that I can't put into words

Nee onaji kimochi de iraretara  
Yakusoku shita yume ima, kanau no  
Sonna hi wa brandnew day

Hey, if we have the same feelings,  
Now the dream where we made a promise will be  
granted  
That day is a brandnew day

Nee shiawase no rizumu tsukamaete  
Umaretate no asa yatte kuru no kanjite  
Hey, catch the rhythm of happiness  
& feel the new morning come

Nee onaji kimochi de iraretara  
Sore dake de futari tsuyoku nareru  
Mainichi ga brandnew day  
Hey, if we have the same feelings,  
Just that alone can make us become strong  
Everyday is a brandnew day

Mainichi ga brandnew day  
Everyday is a brandnew day

I Really Do.
