When I was a little boy
I used to dream about fame
Then suddenly
I was in that game
I'll do everything
Just to catch the public eye
And in a minute
This world is gonna be mine

Make-up, hairstyle, cover story
Everything made up, take the glory
Mental breakup, I'm not sorry
Shut up, watch me, now I'm ready

CHORUS:
My world is so beautiful
Always so colorful
Unbeliveable
My life's like a musical
Perfectly magical
Unpredictable
I'm the Center of Attention

Well maybe I'm a freak
But I don't wanna know
At least I'm not weak
And I'm not alone
Now I feel so strong
Yes, I'm stronger than ever
Baby I'm the show
Your entertainer forever

CHORUS: 1X

Makeup, hairstyle, cover story
Everything made up, take the glory
Mental break up, I'm not sorry
Pain, tears, sadness, confession
Music, fashion, drama, passion
I'm in the Center of Attention

CHORUS: 2X
