"Eien No Ai"

Visit "[Eien No Ai](#)" on MotoLyrics.com

nimotsu wa karui hou ga ii
chizu nara suteta hou ga ii
kibishii fuyu no owari ga kuru kara sugu ni
ã€¸,ãƒ»»~tã€¸,ãƒ»»~tãƒ»»ã€¸,ã€¸,ãƒ»»~tã€¸,ãƒ»»~tãƒ»»ã€¸,
It's better if your bag is light
It's better to throw away the map
Because the severe winter is coming to an end soon

mayoi wa nai hou ga ii
soredemo nayandete ii
mabushii haru no hizashi ga aru nara
ima wa kaze ni fukarete
ã€¸,ãƒ»»~tã€¸,ãƒ»»~tãƒ»»ã€¸,ã€¸,ãƒ»»~tã€¸,ãƒ»»~tãƒ»»ã€¸,
It's better to have no doubts
But it's ok if you're worried
If a radiant spring sunlight is there
The wind will blow on us now

ah~ futari no tabi wa hajimatta no
tsubasa wo hirogete tobitatsu no
ah~ sora no kanata ni nani ga aru no
kotae wo sagashite
sono te gyutto nigitte
ude wo motto hirogete
mada minu eien no ai wo
ã€¸,ãƒ»»~tã€¸,ãƒ»»~tãƒ»»ã€¸,ã€¸,ãƒ»»~tã€¸,ãƒ»»~tãƒ»»ã€¸,
ah~ Our trip has begun
We spread our wings and take off
ah~ what is beyond the sky?
I'm looking for an answer
and holding your hand tightly
I spread my arms wider
for an eternal love that can't be seen yet

dareka wo suki ni natteku
kisetsu wa hito wo kaeteku
afureru natsu no hikari wo motomete
hashiru kaze ni mukatte
ã€¸,ãƒ»»~tã€¸,ãƒ»»~tãƒ»»ã€¸,ã€¸,ãƒ»»~tã€¸,ãƒ»»~tãƒ»»ã€¸,
I will fall in love with someone
The seasons change a person

I search for the flooding summer light
and turn towards the racing wind

ah~ futari no koi wa hajimatta no
rikka no sora e to tobitatsu no
ah~ kumo no yukue wo shiritai kara
mou hanasanaide
hitomi wo tojinagara
kuchibiru wo kasanete
mada minu eien no ai wo
あゝ、あふ」あゝたあゝ、あふ」あゝ、あゝ、あふ」あゝたあゝ、あふ」あゝたあふ」あゝ、
ah~ our love has begun
We take off for the sky in the beginning of summer
ah~ I want to find out where the clouds go, so
Don't let go of me anymore
While closing your eyes
lay your lips on mine
It's an eternal love that can't be seen yet

ah~ futari no tabi wa hajimatta no
tsubasa wo hirogete tobitatsu no
ah~ sora no kanata ni nani ga aru no
kotae wo sagashite
sono te gyutto nigitte
ude wo motto hirogete
mada minu eien no ai wo
あゝ、あふ」あゝたあゝ、あふ」あゝ、あゝ、あふ」あゝたあゝ、あふ」あゝたあふ」あゝ、
ah~ Our trip has begun
We spread our wings and take off
ah~ what is beyond the sky?
I'm looking for an answer
and holding your hand tightly
I spread my arms wider
for an eternal love that can't be seen yet
