Searching for gold,  
You drive up and you pay the toll and now you're...

You're getting loaded!  
Falling down again  
You got your face in the mud,  
You keep on spitting out blood  
You were a baby,  
You got a bigger fish to fry

In the park, when it gets dark  
Taking chances like you're swimming with the sharks

Ghost City, the place you want to be  
Feeling pretty, where one line turns to three  
Ghost City Serve me some Edamamee  
Ghost City, the place you want to be  
Neon kitty's drinking saucers filled up with tea  
Ghost City, sounds pretty good to me
