In your eyes
In your eyes

It was late last night
I was feeling something wasn't right
There was not another soul in sight
Only you, only you

So we walked along, though I knew that there was
something wrong
And a feeling hit me oh so strong about you

Then you gazed up at me and the answer was plain to
see
Cause I saw the light in your eyes

Though we had our fling
I just never would suspect a thing
Till that little bell began to ring in my head
In my head
In my head

But I tried to run, though I knew it wouldn't help me
none
Cause I couldn't ever love no one or so I said

But my feelings for you were just something I never
knew
Till I saw the light in your eyes

And I ran out before but I won't do it anymore
Can't you see the light in my eyes
