Meryl Streep on the streets  
When I was lonley and I needed more  
I've seen all your films that I get at the local video store  
When I stare in your eyes,  
I get fried  
And I completely lose track of time I  
Don't understand your master plan and why you  
couldn't be mine

Meryl Streep, I love you,  
Save me from the fashion magazine  
Angel with a lighting, beaming with my inner self-  
esteem

When I'm alone,  
Fear in my bones,  
Hands are shaking on the telephone  
Bright blue eyes,  
Amplified,  
My heart warms when your in my mind  
Take my hand,  
We'll run away,  
No one can find us in our special place  
I'm not the same,  
I'm going insane,  
I'm content and I can't complain

I think I'm in love with someone named...

Meryl Streep, I love you,  
Save me from the fashion magazine  
Angel with a lighting, beaming with my inner self-  
esteem.
