Manys a time Ive been mistaken  
And many times confused  
Yes and Ive often felt forsaken  
And certainly misused  
Oh but Im all right  
Im all right  
Im just weary to my bones  
Still you dont expect to be bright and bon vivant  
So far away from home  
So far away from home

I dont know a soul whos not been battered  
I dont have a friend feels who at ease  
I dont know a dream thats not been shattered  
Or driven to its knees  
Oh but its all right  
Its all right  
Weve lived so well so long  
Still when I think of the road were traveling on  
I wonder whats gone wrong  
I cant help it I wonder  
Whats gone wrong

And I dreamed I was dying  
I dreamed that my soul  
Rose unexpectedly  
And looking back down at me  
Smiled reassuringly  
And I dreamed I was flying  
High up above  
My eyes could clearly see  
The statue of liberty  
Sailing away to sea  
And I dreamed I was dying

Oh we come on a ship they call the mayflower  
We come on a ship that sailed the moon  
We come in the ages most uncertain hour  
And sing an american tune  
Oh but its all right  
Its all right  
You cant be forever blessed

Still tomorrows going to be another working day  
And Im trying to get some rest  
Thats all Im trying  
To get some rest
