indian legislation's on the desk of the do right  
Congressman  
now he don't know much about the issues so he picks  
up the phone  
and asks the advice of the senator out in indian country  
a darling of the energy companies their ripping off  
what's left of the reservation

i learned the safety rule  
i don't know who to thank  
don't stand between the reservation  
and the corporate bank  
they're sending federal tanks  
it isn't nice but it's reality

bury my heart at wounded knee  
deep in the earth  
i said cover me with pretty lies  
bury my heart at wounded knee

they got these energy companies  
who want to take the land  
and they got churches by the dozens  
trying to guide our hands  
and turn our mother earth  
over to pollution war and greed  
well

bury my heart at wounded knee  
bury my heart at wounded knee  
i said deep in the earth  
bury my heart at wounded knee  
won't you cover me with your pretty lies  
bury my heart at wounded knee  
bury my heart at wounded knee

they got the federal marshalls  
we get the covert spies  
we get the liars by fire  
we get the fbi  
they lie in court and get nailed

and still leonard peltier goes off to jail  
(the bullets don't match the gun)

bury my heart at wounded knee  
an eighth of the reservation  
bury my heart at wounded knee  
it was transferred in secret  
bury my heart at wounded knee  
we got your murder and intimidation  
bury my heart at wounded knee

my girlfriend anna may  
talked about uranium  
her head was full of bullets  
and her body dumped  
the fbi cut off her hands  
and told us she died of exposure  
yeah right

bury my heart at wounded knee  
bury my heart at wounded knee  
oh deep in the earth  
bury my heart at wounded knee  
won't you cover me with pretty lies  
bury my heart at wounded knee  
bury my heart at wounded knee  
bury my heart at wounded knee  
talk about a revolution

we had the gold rush wars  
why didn't we learn to crawl?  
and now our history gets written in a liar's scrawl  
they tell me " honey you can still be an indian  
down at the y on saturday night"

bury my heart at wounded knee  
bury my heart at wounded knee  
i said deep in the earth  
bury my heart at wounded knee  
and cover me with your pretty lies  
bury my heart at wounded knee  
bury my heart at wounded knee

bury my heart  
it was an eighth of the reservation  
bury my heart  
it was transferred in secret  
bury my heart  
got your murder, murder, murder and intimidation  
bury me  
bury me

bury me  
bury my heart  
bury my heart  
bury my heart  
bury my heart
