i am an only child  
born of the wild  
riddled to spend my time  
defending my land

you are my only one  
born in the sun  
riddled to spend your time  
defending my plan

dead dog on the highway  
median cats are growling at me  
i turn my lights on brighter  
counting through the night ride  
and it's one more life for the taker  
chickenman  
one more song for the maker  
chickenman

on the road to Athens  
i saw a dead deer on the highway  
i slipped into a desert  
five prairie dogs and a rabbit

i was running down on queen street  
i saw a woman on the sidewalk  
she was beaten by a stranger  
danger danger danger

nd it's one more life for the taker  
chickenman chicken-man chickenman  
hold my hand  
one more life for the maker  
hold my hand  
chickenman

i was on the road to Austin  
i met a man on the highway  
he sold me junk and conversation  
he was wise and dirty from the weather  
i said darkness into darkness

all the carnage of my journeys  
makes it hard to be living  
he said it's a long road to be forgiven

and one more life for the taker  
chickenman chickenman chickenman  
hold my hand  
one more song for the maker  
chickenman chickenman chickenman  
hold my hand

i am an only child  
born of the wild  
riddled to spend my time  
defending my land  
you are my only one  
born in the sun  
riddled to spend you time  
defending my plan

i went looking for a car  
found myself beneath the stars  
i went looking for a girl  
found a man and his world

chickenman chickenman chickenman  
hold my hand  
i am an only child  
hold my hand  
chickenman chickenman chickenman  
hold my hand
