Taking off his turban they said, "Is this man a Jew"  
'Cause they're working for the clampdown  
They put up a poster saying we earn more than you  
When we're working for the clampdown

We will teach our twisted speech  
To the young believers  
Train our blue-eyed men  
To be young believers

Judge said "Five to ten", I said "Double that again  
I'm not working for the clampdown"  
Well, no one born with a living soul  
Could be working for the clampdown

Kick over the wall 'cause government's to fall  
How can you refuse it  
Let fury have the hour, anger can be power  
Don't you know that you can use it

The voices in your head are calling  
Stop wasting your time, there's nothing coming  
Only a fool would think someone could save you

At the factory are old and cunning  
You don't owe nothing so, boy, get running  
It's the best years of your life they want to steal

You grow up and you calm down  
'Cause you're working for the clampdown  
And you start wearing the blue and the brown  
'Cause you're working for the clampdown

So you got someone to boss around  
Does it make you feel big now  
And you drift until you brutalize  
You've made your first kill now

I say in these days of evil presidents  
Working for the clampdown  
I said lately one or two have fully paid their dues  
Working for the clampdown

Working for the clampdown  
Hey, you are now  
Working for the clampdown  
Hey, you are now

(Working for the clampdown)  
Kick over the wall  
(Working for the clampdown)  
'Cause government's to fall

(Working for the clampdown)  
How can you refuse it  
(Working for the clampdown)  
Hey, get along now

(Working for the clampdown)  
Giving away no secrets
