I'm trying to tell you somethin' about my life
Maybe give me insight between black and white
And the best thing you've ever done for me
Is to help me take my life less seriously
It's only life after all, yea

Well darkness has a hunger that's insatiable
And lightness has a call that's hard to hear
And I wrap my fear around me like a blanket
I sailed my ship of safety till I sank it
I'm crawling on your shores

And I went to the doctor, I went to the mountains
I looked to the children, I drank from the fountains
There's more than one answer to these questions
Pointing me in a crooked line
And the less I seek my source for some definitive
(The less I seek my source)

Closer I am to fine
(Fine, yea)
Closer I am to fine
(Fine, yea)

And I went to see the doctor of philosophy
With a poster of Rasputin and a beard down to his knee
He never did marry or see a B grade movie
He graded my performance, he said he could see
through me
I spent four years prostrate to the higher mind
Got my paper and I was free

And I went to the doctor, I went to the mountains
(Ooh)
I looked to the children, I drank from the fountains
There's more than one answer to these questions
Pointing me in a crooked line
And the less I seek my source for some definitive
(The less I seek my source)

Closer I am to fine
(Fine, yea)

Closer I am to fine
(Fine, yea)

I stopped by the bar at three a.m.
To seek solace in a bottle or possibly a friend
And I woke up with a headache like my head against
the board
Twice as cloudy as I'd been the night before
And I went in seeking clarity

I went to the doctor, I went to the mountains
I looked to the children, I drank from the fountains
And we go to the doctor, we go to the mountains
We look to the children, we drink from the fountains
Yea we go to the bible, we go through the workout
We read up on revival, we stand up for the lookout
There's more than one answer to these questions
Pointing me in a crooked line
The less I seek my source for some definitive
(The less I seek my source)

Closer I am to fine
(Fine)
Closer I am to fine
(Fine)
Closer I am to fine
(Fine, yea)
