I dont think you understand
Oh the rhythm of my heart
Theres a strong line to mind and soul
I feel it tearing apart
Ive been searching for new words
Gonna make you understand in a different way
When I told you Id hang on forever
I threw my choice away
And its cold as ice
I cant let go
Its cold as ice
Baby but I need your love

And I wish I could have been the first one
Oh to walk out the door
The more I find myself to blame
The less there is to come back for
You wish you could have been the last one
To tell me how you really feel
Cause when you closed the door oh deep inside
My heart it still seemed so sincere
And its cold as ice
I cant let go oh
Its cold as ice
Baby but I need your love

Its cold as ice
I cant let go
Its cold as ice
Baby but I need your love

If theres a message to this madness
Well it still seems quite unclear
If I really need to save myself
Why cant I just walk out of here
Theres a message in your eyes
And you make it perfectly plain
Either I leave your heart behind
Or crack beneath this freezing
Freezing freezing freezing rain
Cold as ice
(cold as ice)

I cant let go
(but I cant let go)
Cold as ice
Baby but i
But I need your love

All right
I said Im cold
Cold Im cold
(cold as ice)
Cold Im cold
(baby)
Cold Im cold
(cold as ice darling)
Cold as ice
(cold as ice)
Oh no but I cant let go
(I said Im freezing, freezing)
Oh no no I cant let go
(freezing, freezing, freezing, freezing)
No no Im cold as ice
(whoa whoa baby yeah)
Im cold as ice
But I cant let go
No
