Take to the highway won't you lend me your name  
Your way and my way seem to be one in the same  
Momma don't understand it  
She wants to know where I been  
I'd have to be some kind of natural born fool  
To want to pass that way again  
But you know I could feel it  
On a country road

Sail on home to Jesus won't you good girls and boys  
I'm all in pieces, you can have your own choice  
I could see a heavenly band full of angels  
And they're a comin' to set me free  
Don't know much about the wild wind  
But I can tell that it's bound to because I could feel it  
On a country road

Guess my feet know where they want me to go  
Walking on a country road

Walk on down, walk on down, walk on down  
Walk on down, walk on down a country road yeah  
La la la la la la  
Country road  
Yeah walking on a country road  
Country road  
Yeah  
Walking on a country road
