Hello cowgirl in the sand  
Is this place at your command  
Can I stay here for awhile  
Can I see your sweet sweet smile  
Old enough now to change your name  
So many love you is it the same  
It's the woman in you that makes you want to play this  
game

Hello ruby in the dust  
Has your band begun to rust  
After all the sin we've had  
I was hoping that we'd turn back  
Old enough now to change your name

When so many love you is it the same  
It's the woman in you that makes you want to play this  
game

Hello woman of my dreams  
You know it's not, it's not the way it seems  
All these purple words on a grey background  
To be a woman and to be turned down  
Old enough now to change your name  
So many love you is it the same  
It's the woman in you that makes you want to play this  
game
