People smile and tell me I'm a lucky one
We've just begun
I think I'm gonna have a son
And he will be like he and me as free as a dove
Conceived in love
The sun is gonna shine above

Even though we ain't got money
Well I'm so in love with you honey
And everything will bring a chain of love
And in the morning when I rise
You bring a tear of joy to my eyes
And tell me everything is gonna be all right

Love a boy who holds the world in a paper cup
Drink it up
Love him and he'll bring you luck
And if you find he helps your mind
Sister take him home

Don't you live alone
Try to earn what lovers own

Even though we ain't got money
Well I'm so in love with you honey
And everything will bring a chain of love
And in the morning when I rise
You bring a tear of joy to my eyes
And tell me everything is gonna be all right

And even though we ain't got money
Well I'm so in love with you honey
And everything will bring a chain of love
And in the morning when I rise
You bring a tear of joy to my eyes
And tell me everything is gonna be all right
