Oh, there ain't no use to sit and wonder why, babe
If you don't know by now
Oh, there ain't no use just to sit and wonder why, babe
It'll never do somehow

When your rooster crows at the break of dawn
Look out your window and I'll be gone
You're the reason I'm traveling on
Don't think twice, it's all right

There ain't no use in turning on your light, babe
That street light I've never known
An' it ain't no use in turning on your light, oh
'Cause I'm on the dark side of the road

Oh, still I wish there was something you would do or
say
Try and make me change my mind and stay
We never did too much talking anyway
But don't think twice, it's all right, yeah

Oh, it ain't no use in calling out my name, gal
Like you never done before
Oh, it ain't no use in calling out my name, yeah, nope
I can't hear you no more

I'm thinking and wondering all the way down the road
I once loved a woman, a child, I'm told
I give her my heart but she wanted my soul
Don't think twice, it's all right

I'm walking down that long, lonesome road, babe
Where I'm bound, I can't tell
Goodbye's too good a word, babe
I'll just say fare thee well

Yeah, I ain't saying you treated me unkind
You could have done better but I don't mind
You just kinda wasted my precious time
Don't think twice, it's all right

Don't think twice, it's all right
