I want to live in a holy city  
I want to drink from a holy vine  
I want to be where the people are pretty  
Just because their feeling it deep down inside  
I dont want to wait for heaven  
I can find what I need right here on earth this time  
Theres too many people theyre waiting for heaven  
Oh let me tell you if you cant feel it here  
You wont feel it there anyway  
Oh anyway

I want to live in a stained glass window  
I want to change with the light of day  
Im gonna have the sun shining through me  
Causing my existence in every way yeah  
I dont want to wait for heaven  
I can find what I need right here on earth this time  
Too many people their waiting for heaven  
Oh let me tell you if you cant feel it here  
You wont feel it there anyway  
Anyway yeah

I want to live in a heart of love  
I want to swim in a mind at peace  
I want to be your emotional outlet  
I want to be loves sweet release

Im gonna build me a holy city  
Im gonna drink from a holy, holy vine  
Im want be where the people are pretty  
Just because theyre feeling it  
Deep down deep down  
Deep down inside  
Oh I dont want to wait for heaven  
I can find what I need right here on earth this time  
Too many people theyre waiting for heaven  
Oh let me tell you if you cant feel it here  
You wont feel it there anyway  
If you cant feel it here  
You wont feel it there anyway  
Oh if you cant feel it here  
You wont feel it there anyway

Ah anyway  
Ah anyway  
All right
