You followed me this far
Did you find out what's inside?
Can you tell me what I'm doing?
Is it something I should hide?
I don't know for sure
I don't wanna find out what I left there for

I'm not scared and I'm not lonely
I'm not saving all my money or my breath
I'm not looking for an answer
Or asking anyone to second guess, no

But you told me all your secrets
And I filled you up with lies
Now I'm living honestly
Because I said goodbye
I can't go home anymore
I don't wanna find out what I left there for

I'm not scared and I'm not lonely
I'm not saving all my money or my breath
I'm not looking for an answer
I'm not asking anyone to second guess

I was losing all my senses
I was losing all control
It was gettin' so offensive
No you want me back for more
And I just won't go

If you think you know the answers
Then you've got a lot of gall
'Cause it gives you satisfaction
Knowing nothing at all, I don't care anymore
I don't wanna find out what I left there for
What I left there for

I'm not scared and I'm not lonely
I'm not saving all my money or my breath
I'm not looking for an answer
I'm not asking anyone to second guess, no

I'm not scared and I'm not lonely
I'm not saving all my money or my breath
I'm not looking for an answer
I'm not asking anyone to second guess

Take a second guess
Take a second guess
Take a second guess
