Stayed in bed all morning just to pass the time
There's something wrong here there can be no denying
Now one of us is changing
Or maybe we've just stopped trying

But it's too late baby, now it's too late
Though we really did try to make it
Something inside has died and I can't hide
And I just can't fake it
No

It used to be so easy living here with you
You were light and breezy I knew just what to do
But now you look so unhappy and I feel like a fool

But it's too late baby, now it's too late
Though we really did try to make it
Something inside has died and I can't hide

And I just can't fake it
No

There'll be good times again for me and you
But we just can't stay together don't you see that it's
true
Still I'm glad for what we had
And how I once loved you

But it's too late baby, now it's too late
Though we really did try to make it
Something inside has died and I can't hide
And I just can't fake it
It's too late baby
It's too late now darling
It's too late
