i left my anger in a river running highway five  
New Hampshire Vermont border by  
college farms, hubcaps, and falling rocks  
voices in the woods and the mountains tops  
i used to search for reservations and native lands  
before i realized everywhere i stand  
there have been tribal feet running wild as fire  
some past life sister of my desire

jonas and ezezial hear me now  
steady now don't come out  
i'm not ready for the dead to show its face  
whose turn is it anyway?

when i was young my people taught me well  
give back what you take or you'll go to hell  
it's not the devil's land you know it's not that kind  
every devil i meet becomes a friend of mine  
every devil i meet is an angel in diguise

jonas and ezezial hear me now  
steady now and don't come out  
i'm not ready for the dead to show its face  
whose turn is it anyway?

white chain rope fear be still my dear  
a bullet in the head now he's dead  
a friend of a friend someone said  
he was an activist with a very short life  
i think there's a lesson here he died without a fight  
in the war over land where the world began  
prophecy says it's where the world will end  
but there's a tremor growing in our own backyards  
fear in our heads fear in our hearts  
prophets in the graveyard

jonas and ezezial hear me now  
hear me now steady now don't come out  
i'm not ready for the dead to show its face  
whose turn is it anyway?

jonas and ezeial hear me now  
steady now i feel your ghost about  
i'm not ready for the dead to show its face  
whose angel are you anyway?
