Mama take this badge off of me
I cant wear it anymore
Its getting too dark, too dark to see
And I feel like im
Feel Im knockin on heavens door
Knock, knock, knockin on heavens door
I feel like, I feel like im
Knock, knock, knockin on heavens door
I said i, I feel im
Knock, knock, knockin on heavens door
Mama mama mama
Knock, knock, knockin on heavens door
Oh

Take these guns and put em to the ground
I cant, I cant, I cant
I just cant shoot them anymore
Theres a long black cloud
Theres a long black cloud
You know its a, its a comin down
I feel i, I feel i, I feel im
I feel Im knockin on heavens door
Knock, knock, knockin on heavens door
Now I said mama mama
Knock, knock, knockin on heavens door
Oh now
Knock, knock, knockin on heavens door
Oh
Knock, knock, knockin on heavens door

Wipe this blood from my face
I cant see through the walls
Six white horses coming to carry me away
I feel Im knockin on heavens door
Im
Knock, knock, knockin on heavens door
Gonna take me, gonna take me, gonna take me now
Knock, knock, knockin on heavens door
Wipe this, wipe this, wipe this, wipe this
Knock, knock, knockin on heavens door
Oh mama im
Knock, knock, knockin on heavens door

Mama take these chains off of me
Cause I dont, I dont want them anymore
Theyre getting too damn heavy
And Im crawling across the floor
I feel like, I feel like Im knockin on heavens door
Oh mama
Knock, knock, knockin on heavens door
Ah mama mama mama
Knock, knock, knockin on heavens door
Gonna take me, gonna take me, gonna take me
Knock, knock, knockin on heavens door
Oh
Knock, knock, knockin on heavens door
Oh im
Knock, knock, knockin on heavens door
Im knockin
Knock, knock, knockin on heavens door
Oh Im knockin
Knock, knock, knockin on heavens door
Oh Im I i Im knockin
Knock, knock, knockin on heavens door
