Love the one you're with  
When you're down and confused  
And you don't remember who you're talking to  
Concentration gonna slip away  
Cause your baby is so far away

Honey there's a rose in the fisted glove  
And the eagle flies with the dove  
If you can't be with the one you love  
Honey love the one you're with  
Love the one you're with  
Love the one you're with

Don't be angry and don't be sad  
Don't sit crying over bad times you've had  
Cause there's a girl sitting next to you  
And she's just waiting for something to do

Honey there's a rose in the fisted glove  
And the eagle flies with the dove  
If you can't be with the one you love  
Honey love the one you're with  
Love the one you're with  
Love the one you're with  
Do do do do do do do do

Do do do do do do do do  
Do do do do do do do do  
Do do do  
Do do do

Turn your heartache right into joy  
There's a girl honey you're a boy  
Well you get it together gonna make it nice  
You ain't gonna need any more advice

Honey there's a rose in the fisted glove  
And the eagle flies with the dove  
If you can't be with the one you love  
Honey love the one you're with  
Love the one you're with  
Love the one you're with

Do do do do do do do do  
Do do do do do do do do  
Do do do do do do do do  
Do do do  
Do do do
