The boy he thinks I'm damaged goods  
I know he does and I guess he should  
I dress like him and I take him down  
He gets embarrassed when his friends come around

I can get the girl  
But the boys just laugh  
I can get the girls  
But the boys just laugh

So this is a measure of me  
Even though it shouldn't be  
The lion lays down with the lamb  
But I can't do it so I ain't worth a damn

I can get the girls  
But the boys just laugh  
I can get the girls  
But the boys just laugh at me

Come on now graceful  
I want you to be  
Come on now social

I said I want you to be  
Come on now special  
I want you to be  
I want you to be

I the virgin in the woods  
Tell me now if they are good

Is it the boys who needed me  
I am you and you set it free

I get the girls  
But the boys just laugh  
I get the girl  
But the boys he laughs at me

I said this is the measure of me  
And even though it shouldn't be

The lion lays down with the lamb  
Yeah but I can't do it and I ain't worth a damn
