Honey pick the red corner shoes
The ones that hardly ever get used
I knelt in front of my whole collection
And I'm picking you a special selection

Oh, on no news is good news
Middle of mid-year day
I feel no ill with time to kill I wanna play

Let's make peace tonight
The moon is bare and shining bright
Let's make peace tonight in a good time

I'm calling' on my good friends today
You know the drives about an hour away
Then we'll be pitching up a tent by the trees
And we'll be waiting in the river to our knees

Oh, now love's been planted
And we're checking out the yield
It's two black dogs and a white one
Their running in the field

Let's make peace tonight
The moon is bare and shining bright
Let's make peace tonight in a good time

Well we used to have some money but we spent it
Yeah, so when we want to have it then we rent it
If I were cutting' up a rug and I know you love me love
me
And the best of everything here is free

Oh, when things get messy
Then we tidy up the room
We'll be no stranger to
That dustpan and the broom

Let's make peace tonight
The moon is bare and shining bright
Let's make peace tonight
The moon is bare and shining bright

Let's make peace tonight in a good time
