All skate  
Now reverse

I'm waking from a dream, the neighborhood is green  
All the sounds I've missed all the years  
Come down to wedding death and fear  
And all I've heard has been in vain, like water on a stain

Touch me  
I'm so beautiful  
Rub your hands across my head  
Just like this

Come with me  
Now it's not worth it if you don't  
Then are you hiding?  
I am hiding

Cypress moon, bald in June  
Like the granite in a stream  
Swamp Ophelia, I'm torn down  
Let your waters, let me drown

Touch me  
I'm so beautiful  
Rub your hands across my head  
Just like this

Come with me  
Now, it's not worth it if you don't  
Are you crying?  
I am crying

Jump, jump, jump so high  
Watch me let you down  
If I stumble, I will stumble  
If I fall, I will fall

Trying to hold it like rain in a river  
Everything is getting bigger  
Better this won't last forever  
Touch me fall, touch me fall

[Incomprehensible]

Jump, jump, jump so high  
Watch me let you down  
If I stumble, I will stumble  
If I fall, I will fall

Trying to hold it like rain in a river  
Everything is getting bigger  
Better this won't last forever  
Touch me fall
