Well the first days are the hardest days
Dont you worry anymore
Cause when life looks like easy street
There is danger at your door
Now think this through with me
Let me know your mind
Oh what I want to know
Is are you kind

Now its a buck dancers choice my friends
Better take my advice
You know all the rules by now
And the fire from the ice
Now will you come with me
Wont you come with me
Oh what I want to know
Will you come with me

Sister well I declare
Have you seen the like
Their walls are built of cannon balls
Their motto is dont tread on me
Come hear uncle johns band
Playing to the tide
Come with me or go alone
Hes come to take his children home

Its the same story the crow told me
Its the only one he knows
Like the morning sun you come
And like the wind you go
Aint no time to hate
Barely time to wait
Oh what I want to know
Where does the time go

I live in a silver mine
And I call it beggers tomb
Ive got me a violin
And I beg you call the tune
Anybodys choice
I can hear your voice

Oh what I want to know
How does the song go

Come hear uncle johns band
By the riverside
Got some things to talk about
Here beside the rising tide
Come hear uncle johns band
Playing to the tide
Come on come on or go alone
Hes come to take his children home

Whoa what I want to know
How does the song go

Come hear uncle johns band
By the riverside
Got some things to talk about
Here beside the rising tide
Come hear uncle johns band
Playing to the tide
Come on along or go alone
Hes come to take his children home

Come hear uncle johns band
(brother)
By the riverside
(aint no time to hate)
Got some things to talk about
(sister)
Here beside the rising tide
(aint no time to wait)

Come hear uncle johns band
Playing to the tide
Come on along or go alone
Hes come to take his children home
