I'm comin' home with a stone  
Strapped onto my back  
I'm comin' home with a burnin' hope  
Turnin' all my blues to black  
I'm lookin' for a sacred hand  
To carve into my stone  
A ghost of comfort, Angel's breath  
To keep this life inside my chest

This world falls on me  
Hopes of immortality  
Everywhere I turn  
All the beauty just keeps shakin' me

Now I woke up in the middle of a dream  
Scared the world was too much for me  
Sejarez said, "Don't let go  
Just plant the seeds and watch them grow"  
I've slept in rainy canyon lands  
Cold drenched to my skin  
I always wake to find a face  
To calm these troubled lands

Ah this world falls on me  
With dreams of immortality  
Everywhere I turn  
All the beauty just keeps shakin' me

Now I'm runnin'  
To the end of the earth  
And I'm swimmin'  
To the edge of the sea  
And I'm laughin'  
I'm under a starry sky  
This poor world is meant for me  
Don't bury me, carry me

I wish I was a nomad  
An Indian or a saint  
The edge of death would disappear  
Leave me nothin' left to taint  
I wish I was a nomad

An Indian or a saint  
Give me walkin' shoes, feathered arms  
And a key to Heaven's gate

Ah this world falls on me  
Dreams of immortality  
Everywhere I turn  
All the beauty just keeps shakin' me

I'm runnin'  
(This world falls on me)  
To the end of the earth  
(With hopes of immortality)  
I'm swimmin'  
(Everywhere I turn)  
To the edge of the sea  
(The beauty keeps on shaking me)  
And I'm laughin'  
(This world falls on me)  
'Cause I'm under a starry sky  
(Hopes of immortality)  
This world was meant for me  
(Everywhere I turn)  
I've got hopes of immortality
