when I walk beside her  
I am the better man  
when I look to leave her  
I always stagger back again  
once I built an ivory tower  
so I could worship from above  
and when I climbed down to be set free  
she took me in again  
there's a big  
a big hard sun  
beating on the big people  
in the big hard world  
when she comes to greet me  
she is mercy at my feet  
when I stay to pillage her  
she just throws it back at me  
once I dug an early grave  
to find a better land  
she just smiled and laughed at me  
and took her blues back again  
there's a big

a big hard sun  
beating on the big people  
in the big hard world  
there's a big  
a big hard sun  
beating on the big people  
in the big hard world  
and when I go to cross that river  
she is comfort by my side  
when I try to understand  
she just opens up her hands  
there's a big  
a big hard sun  
beating on the big people  
in the big hard world  
once I stood to lose her  
when I saw what I had done  
burned down and threw away the hours  
of her garden and her sun  
so I tried to warn her  
and turned to see her weep  
40 days and 40 nights  
and it's still coming down on me  
there's a big  
a big hard sun

beating on the big people  
in the big hard world  
there's a big  
a big hard sun  
beating on the big people  
in the big hard world  
there's a big  
a big hard sun  
beating on the big people  
in the big hard world  
there's a big  
a big hard sun  
beating on the big people  
in the big hard world
